**RESOLUTION OF THE NEW RIVER RESOURCE AUTHORITY ADOPTING  
TEMPORARY DISPOSAL AGREEMENT – SMYTH COUNTY**

At a regular meeting of the Board of Directors of the New River Resource Authority, held on \_\_\_\_\_, 20\_\_ at Noon, the Board of Directors resolved as follows:

A **RESOLUTION** authorizing an emergency, temporary disposal agreement (the “Temporary Disposal Agreement”) between the New River Resource Authority (“Authority”) and Smyth County, Virginia (“Smyth County”) for the emergency disposal of nonhazardous solid waste:

**WHEREAS**, the Articles of Incorporation of the Authority provide that the Authority may, with the consent of all member jurisdictions, enter into contracts with other political subdivisions that are not members of the Authority in order to further its purposes and functions; and

**WHEREAS**, the Agreement of expansion of the Authority dated April 14, 1998 (the “Agreement”); provides that the Authority is to be used only for the disposal of waste in the member jurisdictions and only such areas outside of those geographical limits as the governing bodies of the member jurisdictions may unanimously agree; and

**WHEREAS** pursuant to the Fourth Amended User Agreement of New River Resource Authority for Authority Members, adopted and effective August 24, 2016 (the “Fourth Amendment”), provides that, subject to and upon certain terms and conditions, to authorize the Authority to contract with other public subdivisions within the Commonwealth of Virginia to allow for the emergency disposal of nonhazardous solid waste without the requirement of prior approval of each of the member jurisdictions; and

**WHEREAS**, Smyth County has proposed to contract with the Authority for the acceptance by the Authority of non-hazardous solid waste from Smyth County on a temporary basis in the event of an unexpected emergency; and

**WHEREAS**, Smyth County does not have solid waste disposal facilities and therefore cannot reciprocate as envisioned under the Fourth Amendment whereby the Authority can unilaterally execute a temporary disposal agreement with localities in cases of emergencies; and

**WHEREAS**, pursuant to the above provisions of the Articles of Incorporation and the Agreement, the consent of all Member Jurisdictions of the Authority is required for approval of such contracts; and

**WHEREAS**, the Authority desires to execute an agreement to provide emergency assistance to the Smyth County; and

**WHEREAS**, the Proposed Temporary Disposal Agreement has been submitted to each of the Member Jurisdictions and has been ratified and approved by each of the Member Jurisdictions.

**NOW THEREFORE, BE IT RESOLVED** that:

1. The Chairman of the Authority is authorized to execute and attest, respectively, the Temporary Disposal Agreement in substantially the form attached hereto as Exhibit A, subject to review and final approval as to form by the Attorney for the Authority.
2. The Chairman and the Executive Director is authorized to take such further actions and execute additional documents as may be needed to implement and administer such Temporary Disposal Agreement, and such additional documents, if any, are to be approved as to form by the Attorney for the Authority.
3. This Resolution shall take effect immediately.

**Attest:**

**AGREEMENT FOR THE TEMPORARY DISPOSAL OF NON-HAZARDOUS  
MUNICIPAL SOLID WASTE OF SMYTH COUNTY WITH THE NEW  
RIVER RESOURCE AUTHORITY**

**THIS TEMPORARY DISPOSAL AGREEMENT** ("Agreement") is made and entered into as of this \_\_\_\_ day of \_\_\_\_\_, 20\_\_, by and between **SMYTH COUNTY, VIRGINIA**, a public body politic and political subdivision of the Commonwealth of Virginia (the "County"), and the **NEW RIVER RESOURCE AUTHORITY**, a public body corporate and political subdivision of the Commonwealth of Virginia, organized pursuant to the laws of the Commonwealth of Virginia by City of Radford, Pulaski County, Town of Dublin, Giles County, and the Montgomery Regional Solid Waste Authority (hereinafter referred to as "NRRA").

**WHEREAS**, currently, the County operates waste disposal facilities for the disposal of municipal solid waste originating from Smyth, such facilities consisting of the Smyth County Transfer Station with final disposal outside of the County; and

**WHEREAS**, currently, NRRA operates waste disposal facilities for the disposal of municipal solid waste originating from the City of Radford, Pulaski County, Town of Dublin, Giles County, and the member jurisdictions of Montgomery Regional Solid Waste Authority, such facilities consisting of the NRRA Regional Landfill; and

**WHEREAS**, currently the County is not authorized to use NRRA's waste disposal facilities in the event of an emergency; and

**WHEREAS**, the County desires to have a temporary alternative for the emergency disposal of municipal solid waste in the event an unforeseen emergency circumstance were to shut down or render its waste disposal facilities inoperable; and

**WHEREAS**, such an agreement is in the public interest and is appropriate to protect the public health, safety, and welfare; and

**WHEREAS**, the County and NRRA desire to set forth herein the terms and conditions applicable to such emergency, temporary disposal of non-hazardous municipal solid waste at NRRA's facilities.

**WITNESSETH:**

For good and valuable consideration, including the mutual promises contained herein, the County and NRRA covenant and agree, as follows:

1. Use of Disposal Facilities. In the event the County's waste disposal facilities are shut down or rendered inoperable due to an unforeseen emergency circumstance, including, by way of example, act of God, storm, flood, landslide, earthquake, fire, war, environmental incident, operational problems, or the order or judgment of any local, state, or federal court, administrative agency, officer, or body, NRRA agrees to make its facilities for the disposal of

municipal solid waste available to the County, subject to and on the terms and conditions set forth herein. The County agrees that it shall use due diligence and good faith efforts to put its waste disposal facilities back into operation as soon as possible.

2. Term. The initial term of this Agreement shall be from \_\_\_\_\_, 20\_\_, terminating at midnight on June 30, 2023, except as renewed as hereinafter set forth; thereafter, this Agreement shall automatically renew for additional one year terms, the first such term commencing July 1, 2023 through June 30, 2024, provided, however, during the initial term or any subsequent one year renewal term, this Agreement may be cancelled and terminated at any time by either party without cause or any liability upon 30 days written notice to the other party.

3. Disposal of Acceptable Waste Only. Only non-hazardous, "municipal solid waste industrial waste", "agricultural waste construction waste", "debris waste", or "demolition waste" as defined in the Virginia Department of Environmental Quality Solid Waste Management Regulations, as amended, that is collected and delivered by solid waste collection vehicles owned or contracted by the County. Commercial haulers with monthly charge accounts with the County may be disposed of under this Agreement if the County elects to include this solid waste stream during the temporary usage period. All waste shall ultimately be disposed of at an NRRA facility that is properly licensed and approved by the Commonwealth of Virginia for acceptance of municipal solid waste in compliance with all applicable laws and regulations. NRRA reserves the right in its sole discretion to determine whether any waste is acceptable for disposal under this Agreement. Under no circumstance shall NRRA accept or be deemed to have accepted for disposal any hazardous or unacceptable waste which it would be precluded by applicable law from accepting, including, without limitation, medical, infectious, or hazardous waste. In the event NRRA determines that hazardous or unacceptable waste has been delivered for disposal under this Agreement, NRRA shall immediately notify the County and the County shall immediately arrange for the proper collection, removal, and disposal of such waste in compliance with all applicable laws and regulations; should the County fail to do so, NRRA shall be authorized to take any and all actions necessary to collect, remove, and dispose of such unacceptable waste and the County shall be responsible for and shall pay NRRA for any and all related costs and expenses, including any consultant, engineering or attorney's fees.

4. Operational Requirements. Any emergency disposal of municipal solid waste by the County at NRRA's facility pursuant to this Agreement shall be subject to and in compliance with the following terms and conditions:

- a. Prior to any such use, the County shall give NRRA prior written notice of: (i) the nature of the emergency; (ii) the estimated duration of the emergency use; and, (iii) the estimated daily amount of municipal solid waste requested to be delivered for disposal. Any such use shall be subject to the prior written approval of NRRA's Executive Director or other authorized official.

b. NRRA reserves the right at any time to determine the disposal capacity of its facility and to refuse to accept any waste from the County if acceptance would exceed available capacity.

c. Such use and all waste transportation and delivery operations shall be subject to all applicable laws, rules, regulations, and procedures, including, without limitation, NRRA's rules, regulations, and procedures and normal days and hours of operation, unless otherwise agreed in writing by NRRA.

d. No tractor trailers shall be used to deliver waste for disposal, without written approval from NRRA. Standard compactor vehicles, walking floor trailers and roll-off containers may be used for delivery of waste for disposal.

e. The County shall be responsible for and shall pay for any and all claims, suits, damages, fines, penalties, loss, liability, including any required cleanup or remediation, for damage to property, death, or personal injury of any kind, including reasonable attorneys' fees, resulting from or arising out of: (i) the activities or presence of its employees, agents, or contractors on NRRA's premises; (ii) its delivery, handling, or disposal or attempt to dispose of any hazardous or unacceptable waste as defined herein; or, (iii) its violation of any law, rule, regulation, or procedure.

5. Rates and Billing. The disposal rate under this Agreement for all acceptable municipal solid waste, as defined in paragraph 3 above, shall be the municipal disposal rate prevailing and charged by the receiving party at the time of disposal, plus \$3/per ton. NRRA shall provide the County with documentation showing the amount of waste, in tonnage, delivered by each hauler emanating from the County's service area.

6. Additional Members of Authority or Localities Contracting with Smyth County. The parties recognize and agree that in the event additional localities join NRRA or contract with the County for the disposal of municipal solid waste within the permitted service areas, respectively subsequent to this Agreement, such localities shall be entitled to the benefit of and subject to the terms and conditions of this Agreement and shall be listed in an Appendix A hereto which shall be updated from time to time by the parties. Notwithstanding this, the County shall receive prior written approval of NRRA in order to contract with another jurisdiction for solid waste disposal that would be subject to the terms of this Agreement.

*[Signature Page Follows]*

*[Signature Page to Agreement for Temporary Disposal of Solid Waste]*

**IN WITNESS WHEREOF**, the parties hereto have caused this Temporary Disposal Agreement to be signed by their duly authorized officers as of the date first set forth above.

**RESOLUTION OF THE NEW RIVER RESOURCE AUTHORITY**  
**RECOMMENDING APPROVAL OF A TEMPORARY DISPOSAL**  
**AGREEMENT – SMYTH COUNTY**

At a regular meeting of the Board of Directors of the New River Resource Authority, held on \_\_\_\_\_, 20\_\_ at Noon, the Board of Directors resolved as follows:

A **RESOLUTION** recommending approval by Member Jurisdictions of an emergency, temporary disposal agreement (the “Temporary Disposal Agreement”) between the New River Resource Authority ("Authority") and Smyth County, Virginia ("Smyth County") for the emergency disposal of nonhazardous solid waste:

**WHEREAS**, the Articles of Incorporation of the Authority provide that the Authority may, with the consent of all Member Jurisdictions, enter into contracts with other political subdivisions that are not members of the Authority in order to further its purposes and functions; and

**WHEREAS**, the Agreement of expansion of the Authority dated April 14, 1998 (the "Agreement"); provides that the Authority is to be used only for the disposal of waste in the member jurisdictions and only such areas outside of those geographical limits as the governing bodies of the member jurisdictions may unanimously agree; and

**WHEREAS** pursuant to the Fourth Amended User Agreement of New River Resource Authority for Authority Members, adopted and effective August 24, 2016 (the “Fourth Amendment”), provides that, subject to and upon certain terms and conditions, to authorize the Authority to contract with other public subdivisions within the Commonwealth of Virginia to allow for the emergency disposal of nonhazardous solid waste without the requirement of prior approval of each of the member jurisdictions; and

**WHEREAS**, Smyth County has proposed to contract with the Authority for the acceptance by the Authority of non-hazardous solid waste from Smyth County on a temporary basis in the event of an unexpected emergency; and

**WHEREAS**, Smyth County does not have solid waste disposal facilities and therefore cannot reciprocate as envisioned under the Fourth Amendment whereby the Authority can unilaterally execute a temporary disposal agreement with localities in cases of emergencies; and

**WHEREAS**, pursuant to the above provisions of the Articles of Incorporation and the Agreement, the consent of all Member Jurisdictions of the Authority is required for approval of such contracts; and

**WHEREAS**, the Authority desires to execute an agreement to provide emergency assistance to the Smyth County and has negotiated the terms of a Proposed Temporary Disposal Agreement, in substantially the form as attached hereto as Exhibit A; and

**WHEREAS**, such Proposed Temporary Disposal Agreement has been submitted to each of the Member Jurisdictions and the Authority seeks consent from the Member Jurisdictions to execute the Proposed Temporary Disposal Agreement, in substantial form as presented thereto.

**NOW THEREFORE, BE IT RESOLVED by the Board of Directors that:**

1. The Board of Directors hereby approve of the terms and conditions set forth in the Proposed Temporary Disposal Agreement, as presented at this meeting.

2. The Board of Directors ask that each Member Jurisdiction consent to the Authority entering into the Proposed Temporary Disposal Agreement in substantially the form attached hereto as Exhibit A, subject to review and final approval as to form by the Attorney for the Authority.

3. The Chairman of the Authority and the Executive Director is each authorized to communicate this request to each of the Member Jurisdictions and seek approval of the draft resolution as attached hereto as Exhibit B.

4. The Chairman and the Executive Director are each authorized to take such further actions and execute additional documents as may be needed to further the goals set forth in this Resolution.

5. This Resolution shall take effect immediately.

Chairman, New River Resource Authority

**AGREEMENT FOR THE TEMPORARY DISPOSAL OF NON-HAZARDOUS MUNICIPAL SOLID WASTE OF SMYTH COUNTY WITH THE NEW RIVER RESOURCE AUTHORITY**

**THIS TEMPORARY DISPOSAL AGREEMENT** ("Agreement") is made and entered into as of this \_\_\_\_ day of \_\_\_\_\_, 20\_\_, by and between **SMYTH COUNTY, VIRGINIA**, a public body politic and political subdivision of the Commonwealth of Virginia (the "County"), and the **NEW RIVER RESOURCE AUTHORITY**, a public body corporate and political subdivision of the Commonwealth of Virginia, organized pursuant to the laws of the Commonwealth of Virginia by City of Radford, Pulaski County, Town of Dublin, Giles County, and the Montgomery Regional Solid Waste Authority (hereinafter referred to as "NRRA").

**WHEREAS**, currently, the County operates waste disposal facilities for the disposal of municipal solid waste originating from Smyth, such facilities consisting of the Smyth County Transfer Station with final disposal outside of the County; and

**WHEREAS**, currently, NRRA operates waste disposal facilities for the disposal of municipal solid waste originating from the City of Radford, Pulaski County, Town of Dublin, Giles County, and the member jurisdictions of Montgomery Regional Solid Waste Authority, such facilities consisting of the NRRA Regional Landfill; and

**WHEREAS**, currently the County is not authorized to use NRRA's waste disposal facilities in the event of an emergency; and

**WHEREAS**, the County desires to have a temporary alternative for the emergency disposal of municipal solid waste in the event an unforeseen emergency circumstance were to shut down or render its waste disposal facilities inoperable; and

**WHEREAS**, such an agreement is in the public interest and is appropriate to protect the public health, safety, and welfare; and

**WHEREAS**, the County and NRRA desire to set forth herein the terms and conditions applicable to such emergency, temporary disposal of non-hazardous municipal solid waste at NRRA's facilities.

**WITNESSETH:**

For good and valuable consideration, including the mutual promises contained herein, the County and NRRA covenant and agree, as follows:

1. Use of Disposal Facilities. In the event the County's waste disposal facilities are shut down or rendered inoperable due to an unforeseen emergency circumstance, including, by way of example, act of God, storm, flood, landslide, earthquake, fire, war, environmental

incident, operational problems, or the order or judgment of any local, state, or federal court, administrative agency, officer, or body, NRRRA agrees to make its facilities for the disposal of municipal solid waste available to the County, subject to and on the terms and conditions set forth herein. The County agrees that it shall use due diligence and good faith efforts to put its waste disposal facilities back into operation as soon as possible.

2. Term. The initial term of this Agreement shall be from \_\_\_\_\_, 20\_\_, terminating at midnight on June 30, 2023, except as renewed as hereinafter set forth; thereafter, this Agreement shall automatically renew for additional one year terms, the first such term commencing July 1, 2023 through June 30, 2024, provided, however, during the initial term or any subsequent one year renewal term, this Agreement may be cancelled and terminated at any time by either party without cause or any liability upon 30 days written notice to the other party.

3. Disposal of Acceptable Waste Only. Only non-hazardous, "municipal solid waste industrial waste", "agricultural waste construction waste", "debris waste", or "demolition waste" as defined in the Virginia Department of Environmental Quality Solid Waste Management Regulations, as amended, that is collected and delivered by solid waste collection vehicles owned or contracted by the County. Commercial haulers with monthly charge accounts with the County may be disposed of under this Agreement if the County elects to include this solid waste stream during the temporary usage period. All waste shall ultimately be disposed of at an NRRRA facility that is properly licensed and approved by the Commonwealth of Virginia for acceptance of municipal solid waste in compliance with all applicable laws and regulations. NRRRA reserves the right in its sole discretion to determine whether any waste is acceptable for disposal under this Agreement. Under no circumstance shall NRRRA accept or be deemed to have accepted for disposal any hazardous or unacceptable waste which it would be precluded by applicable law from accepting, including, without limitation, medical, infectious, or hazardous waste. In the event NRRRA determines that hazardous or unacceptable waste has been delivered for disposal under this Agreement, NRRRA shall immediately notify the County and the County shall immediately arrange for the proper collection, removal, and disposal of such waste in compliance with all applicable laws and regulations; should the County fail to do so, NRRRA shall be authorized to take any and all actions necessary to collect, remove, and dispose of such unacceptable waste and the County shall be responsible for and shall pay NRRRA for any and all related costs and expenses, including any consultant, engineering or attorney's fees.

4. Operational Requirements. Any emergency disposal of municipal solid waste by the County at NRRRA's facility pursuant to this Agreement shall be subject to and in compliance with the following terms and conditions:

a. Prior to any such use, the County shall give NRRRA prior written notice of: (i) the nature of the emergency; (ii) the estimated duration of the emergency use; and, (iii) the estimated daily amount of municipal solid waste requested to be delivered for disposal. Any such use shall be subject to the prior written approval of NRRRA's Executive Director or other authorized official.

b. NRRA reserves the right at any time to determine the disposal capacity of its facility and to refuse to accept any waste from the County if acceptance would exceed available capacity.

c. Such use and all waste transportation and delivery operations shall be subject to all applicable laws, rules, regulations, and procedures, including, without limitation, NRRA's rules, regulations, and procedures and normal days and hours of operation, unless otherwise agreed in writing by NRRA.

d. No tractor trailers shall be used to deliver waste for disposal, without written approval from NRRA. Standard compactor vehicles, walking floor trailers and roll-off containers may be used for delivery of waste for disposal.

e. The County shall be responsible for and shall pay for any and all claims, suits, damages, fines, penalties, loss, liability, including any required cleanup or remediation, for damage to property, death, or personal injury of any kind, including reasonable attorneys' fees, resulting from or arising out of: (i) the activities or presence of its employees, agents, or contractors on NRRA's premises; (ii) its delivery, handling, or disposal or attempt to dispose of any hazardous or unacceptable waste as defined herein; or, (iii) its violation of any law, rule, regulation, or procedure.

5. Rates and Billing. The disposal rate under this Agreement for all acceptable municipal solid waste, as defined in paragraph 3 above, shall be the municipal disposal rate prevailing and charged by the receiving party at the time of disposal, plus \$3/per ton. NRRA shall provide the County with documentation showing the amount of waste, in tonnage, delivered by each hauler emanating from the County's service area.

6. Additional Members of Authority or Localities Contracting with Smyth County. The parties recognize and agree that in the event additional localities join NRRA or contract with the County for the disposal of municipal solid waste within the permitted service areas, respectively subsequent to this Agreement, such localities shall be entitled to the benefit of and subject to the terms and conditions of this Agreement and shall be listed in an Appendix A hereto which shall be updated from time to time by the parties. Notwithstanding this, the County shall receive prior written approval of NRRA in order to contract with another jurisdiction for solid waste disposal that would be subject to the terms of this Agreement.
